Bentham (Past Masters)

Jeremy Bentham, the founder of utilitarianism, made an important impact on several areas of thought and policy, including ethics, jurisprudence, political theory and social and administrative reform. This volume introduces his thought and links together the various components of his philosophy. It also provides information about common interpretations of Benthamism, and about its influence and modern relevance. John Dinwiddy was the general editor of "The Collected Works of Jeremy Bentham" and the author of "From Luddism to the First Reform Bill".

The Compact Reader: Short Essays by Method and Theme

Perfect condition. Never used.

Liars For Jesus: The Religious Right's Alternate Version of American History, Vol. 1

Liars for Jesus debunks many of the historical lies invented and used by the Christian nationalist history revisionists in their efforts to further their far right political agenda and destroy the wall of separation between church and state in America. Liars for Jesus is not a book about religion.

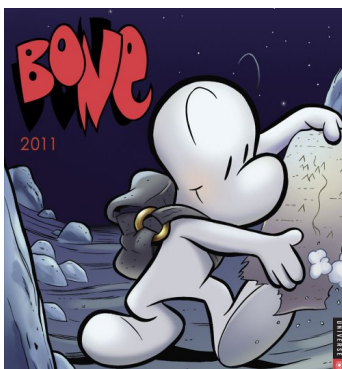

Fightball: Dying of Suck introduces Maj and Kallan, two wildly intelligent and hilarious sisters who navigate life from opposite ends of every point of view. On the surface a recounting of one family's move to Oregon, **Fightball: Dying of Suck** is in fact the greatest story of sisterhood ever told. Also, there is hyperbole.

Thoughts from readers, ripped free of context and attribution ...

Fightball: Dying of Suck (Volume 1)

Jeremy Bentham - Wikipedia

The "greatest happiness principle", or the principle of utility, forms the cornerstone of all Bentham's thought. By "happiness", he understood a predominance of "pleasure" over "pain". He wrote in The Principles of Morals and Legislation: Nature has placed mankind under the governance of two sovereign masters, pain and ...

Past Masters (book series) - Wikipedia

Past Masters is an Oxford University Press book series published from 1980. The series aims to provide a brief introduction to the ideas and beliefs of important thinkers from the past. A number of the books were subsequently republished in the Oxford Very Short Introductions series which began to replace the Past Masters ...
