Junkyards, Gearheads, and Rust: Salvaging the Automotive Past

What happens to automobiles after they are retired but before they are processed as scrap? In this fascinating history, David N. Lucsko takes readers on a tour of salvage yards and wrecked or otherwise out-of-service cars in the United States from the point of view of gearheads, the hot rodders, restoration hobbyists, street rodders, and classic car devotees who reuse, repurpose, and restore junked cars. *Junkyards, Gearheads, and Rust* is a nuanced exploration of the business of dismantling wrecks and selling second-hand parts. It examines the reinterpretation of these cars and parts by artists as well as their restoration by enthusiasts. It also surveys the origin and evolution of gea
