US Foreign Policy since 1945 (The Making of the Contemporary World)

US Foreign Policy since 1945 is an essential introduction to postwar US foreign policy. It combines chronologic and thematic chapters to provide an historical account of US policy and to explore key questions about its design, control and effects. New features of this second edition include: expanded coverage of the Cold War new chapters on the post-Cold War era a chronology and a new conclusion that draws together key themes and looks to the future. Covering topics from American foreign policy-making, US power and democratic control, through to Cold War debates, economic warfare, WMDs and the war on terrorism, US Foreign Policy since 1945 is the ideal introduction to the topi

Using simple illustrations and the same clear, conversational style that characterized his e

Someone to Love (Montgomery, Book 21)

It's been three years since his fiancée's mysterious suicide, and Jace Montgomery still hungers for answers. Stacy was kind, funny, and in love -- why, on a trip to England, would she end her life in a room above a village pub? Then Jace stumbles upon a photo of a rambling estate tucked inside one of Stacy's books—and a cryptic note dated one day before her death: "Ours again. Together forever. See you there. . . ."

Drawing on his family's vast wealth, Jace returns to England to purchase the unsightly Priory House—and soon discovers it is haunted by the headstrong ghost of Ann Stuart. Unraveling the ties between past and present with the help of a beautiful local journalist, Jace must at last reconcile his heartwrenching loss and his own hopeful future.
