### My Brief History (Deckle Edge) Hardcover

NATIONAL BESTSELLER Stephen Hawking has dazzled readers worldwide with a string of bestsellers exploring the mysteries of the universe. Now, for the first time, perhaps the most brilliant cosmologist of our age turns his gaze inward for a revealing look at his own life and intellectual evolution. My Brief History recounts Stephen Hawking's improbable journey, from his postwar London boyhood to his years of international acclaim and celebrity. Lavishly illustrated with rarely seen photographs, this concise, witty, and candid account introduces readers to a Hawking rarely glimpsed in previous books: the inquisitive schoolboy whose classmates nicknamed him E

What others say about this ebook:

**Review 1:**

It's short and to the point with some cosmology at the very end. I read his wife's story so I felt obliged to read his. I read A Brief History of Time when it first came out.

**Review 2:**

I thought it would be less technical but I learned many things I didn't understand previously

**Review 3:**

Such a great read. Delivered on time.

**Review 4:**

Really enjoyed this cleverly written book. The information provided gave me a clearer understanding of Professor Hawking from his earliest memories to present. Very good work!

**Review 5:**

**MUST READ IF YOU WANT TO LEARN ABOUT ONE OF OUR GREATEST MINDS!!**
