Michelin Regional Maps: France: Loire Valley Map 517 (Michelin Regional France)

Michelin hard-cover regional maps for France contain practical road and route information. The special Michelin reads-like-a-book format makes it easy to unfold and refold after use, eliminating the need to spread open the whole map. Maps offer valuable information, including locations of gas stations, rest areas and toll roads on main highways and primary roads, as well as numerous points of interest pulled from Michelin Green Guides. Clear, precise cartography with symbols highlighting important travel information allow travelers to quickly find their way

What others say about this ebook:

Review 1:

Great map - high quality, thorough, detailed.

Review 2:

The map is fine and was marginally helpful on our recent trip. However, as other have commented previous on the Michelin maps - it is huge! Very difficult to manage in a car. Parts of the area covered are represented on both sides of the map, so that is confusing, too. Don't know if I'll use this style map again.
