Counseling Through Your Bible Handbook: Providing Biblical Hope and Practical Help for 50 Everyday Problems

For more than 25 years, June Hunt has given sound counsel and scriptural insights to thousands of hurting people through her popular live radio call-in program Hope in the Night. In this book, June brings together 50 of the most common, urgent problems people struggle with. Each short,

We Seven: By the Astronauts Themselves

The heroic story of the Mercury Seven, the pioneer astronauts who risked their lives for America's first manned space voyages. Project Mercury ran from 1959 through 1963, put the first American in space, and defined NASA's manned space flights to come, from Gemini through Apollo.

Testament of Youth (Penguin Classics)

Now a major motion picture starring Alicia Vikander and Kit Harington. Much of what we know and feel about the First World War we owe to Vera Brittain's elegiac yet unsparing book, which set a standard for memoirists from Martha Gellhorn to Lillian Hellman. Abandoning her studies at Oxf

What others say about this ebook:

Review 1:

This book was not terribly insightful. Save your money.

Review 2:

Completely changed how I approach Bar exam essays.

Review 3:

The book was okay, but I honestly thought there would be more insight into why the different essays were good and bad. Instead the book leaves you to figure it out for yourself. Other than that, it was nice to have a book that was affordable and had examples of real essay questions and answers.

Review 4:

This book gives a chance for the reader to see actual responses to bar exam essays. The book starts off with a few pages giving suggestions on how to approach the essay portion of the bar exam. However, the majority of the book is actual essays from the bar exam, the score that essay received and a brief description of the positive or negative aspects of the previous essay.

Lots of bar review books and programs will tell you what to write and how to approach questions (which this book does not really do), but I found it useful to see the difference between essays that received a 7 and those that received a 1 or 2. It also set my mind at ease because many of the essays that were scored a 7 were far from perfect.

While this certainly cannot be your only study guide for the bar exam, I believe this book was very helpful and I would recommend it to anyone taking the Massachusetts bar exam.

Review 5:

This book is true to its title--What NOT to Write--but it doesn't tell you WHAT to write. It's like saying that $2+2=5$ is wrong, but not providing the right answer, only a diatribe about the fact the answer is wrong. Completely useless when you're trying to study for the bar.
