The Darwin Awards Countdown to Extinction

The newest installment of the human race's most "devastatingly" popular humor series. The Darwin Awards are more than just a brand. They're a pop culture phenomenon. With six books and a website that draws in more than a million unique visitors every month, the Darwin Awards rivals The Onion and The Simpsons as one of the biggest humor franchises in the world. Fully illustrated and featuring all-new tales of the marvelously macabre, The Darwin Awards Countdown to Extinction chronicles the astonishing acts of individuals who have taken a swan dive into the shallow end of the gene pool. From attaching a five-horsepower engine to a barstool, to hammering a metal hook into an

What others say about this ebook:

Review 1:

This is nothing like the earlier small books, which were really funny. Hardly anything in this thing is funny or the least bit interesting. Most of this nightmare is comprised of "reader comments" only to bulk up the size. You have been warned!

Review 2:

Funny

Review 3:

Great books, got 6 of them!

Review 4:

Some people were not thinking clearly.

Review 5:

These books are always entertaining
