Top Hats and Flappers: The Art of Russell Patterson

The definitive collection of a legend from the golden age of magazine illustration. Imagine America in the 1920s, the last stand of the Golden Age of Illustration and a time of tremendous social change. On one side of Paradise were the nationally known illustrators like Charles Dana Gibson, James Montgomery Flagg, and J.C. Leyendecker. But rapidly gaining in popularity were the young irreverent illustrators/cartoonists who worked for the emerging humor magazines Judge, College Humor, Ballyhoo, and Life. These artists attempted to capture the verve and excitement of their times with an energetic line and frenzied pen-and-ink panels containing multitudes with the settings and dr

Less Stress, More Success: A New Approach to Guiding Your Teen Through College Admissions and Beyond

Is your teen stressing over college admittance? Are you? Cowritten by a former top college admissions dean and a leading pediatrician, this first-of-its-kind book delivers strategies for surviving the admissions process while strengthening parent-child relationships, managing the stress of applying

The Writings of David Thompson: The Travels, 1850 Version

David Thompson's Travels is not only the account of a remarkable life in the fur trade but an extended meditation on the land and Native peoples of western North America. The tale spans the years 1784 to 1812 and extends from the Great Lakes to the Pacific, from Athabasca to the Missouri River. A d

It Was On Fire When I Lay Down On It

In his first phenomenal best-seller, EVERYTHING I NEED TO KNOW I LEARNED IN KINDERGARTEN, Robert Fulghum reminded readers everywhere of some plain and still-true truths. Now, picking up where he left off, Fulghum turns our eyes to show-and-tell, weddings, his own ten commandments, and more insightf

Reading Koine Greek: An Introduction and Integrated Workbook

This in-depth yet student-friendly introduction to Koine Greek provides a full grounding in Greek grammar, while starting to build skill in the use of exegetical tools. The approach, informed by twenty-five years of classroom teaching, emphasizes reading Greek for comprehension as opposed to merely

What others say about this ebook:

Review 1:

Russell Patterson is one of those guys that never was the household name that John Held Jr. or Charles Schulz was but he should have been. What a great talent, at least he's not completely forgotten.

Review 2:

A very complete book about a great artist. The reproductions are big size and great quality.

If you like illustrators, this is a must have: Russell Patterson work is very modern, brilliant and elegant.

Review 3:

Toppers and Flappers: The Art of Russell Patterson is a snazzy coffee-table artbook featuring the 1920's and 30's magazine cartoons of Russell Patterson. Most illustrations are in black-and-white; some are color reproduction of magazine covers; nearly all feature the stylish "flapper" women of the era engaged in a wide variety of poses and activities, from reading tabloids on a bus to engaging in archery for the sake of showing off medieval costumes. The text introduces the reader to the mood of the era and Patterson's life and career, but most of **Toppers and Flappers** is dedicated to the vivacious, cutting, sometimes slightly lewd, and always eye-catching images themselves. Highly recommended for period piece artbook collections.
