Beyond Me: Sex on the Beach

CAN FUN IN THE SUN TURN INTO LASTING LOVE? Spring break in Key West with my besties was supposed to be casual fun. But I never expected to meet him. Sex and frolic? Yes! A relationship? Review 5:

Loved this author before I read this book, but I'm not so sure anymore... Everything seemed like a cliché, even the way she called things out as a cliché. It seemed like such a rushed book though- everything was super spelled out for you. Literally.
