### Evidence (American Casebook Series)

This title is a part of our CasebookPlus™ offering as ISBN 9781634595384. Learn more at CasebookPlus.com. This comprehensive look at the law of evidence has been extensively updated and made current since the previous edition. One of the most significant changes in the Eighth Edition deals with the revolution in Confrontation Clause jurisprudence occasioned by the Supreme Court's decision in Crawford v. Washington (2004). Since the last edition, the Supreme Court has decided half a dozen cases involving Crawford's approach. Substantial additions to the detailed notes regarding confrontation reflect those new developments. Also, new material concerning scientific eviden

**What others say about this ebook:**

**Review 1:**

it is posted as very good but it wasn't.  
too many highlights and the side is about tear a parts.

**Review 2:**

Good, clear, and concise casebook. Half way through law school and this is a standout book for a difficult course.

**Review 3:**

Came exactly how it had been described--rip on the binding of the book. It had been highlighted, but the highlighting was very useful.
