Mutual Causality in Buddhism and General Systems Theory: The Dharma of Natural Systems (Suny Series, Buddhist Studies)

"This book deals with a very important and contemporary topic--breaking out of casual patterns of a reductive sort into more holistic non-reductive ways of thinking and explanation. It also brings together Western and Eastern ideas combining a particularly important aspect of Buddhist thought with

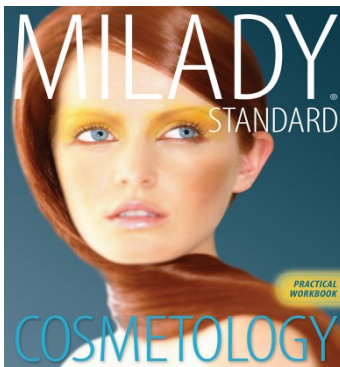

Extraction of Oil from Mango Kernel by Hydraulic Pressing: Post harvest Processing and Food Engineering

Mango kernel oil is one of the byproduct from the mango fruit and mostly used in cosmetic and soap industry. Hydraulic pressing is one of the ways to extract the oil from mango kernel. The hydraulic pressing is more useful for small scale processors due to relatively lower initial and operating cos

Loving Your Self: Songs & Meditations

For many of us, loving ourselves is our greatest emotional problem. Kingma points out that self-love is not narcissism, egotism, greed, self-righteousness, or conceit all of which have given genuine self-love a bad name. She shows how each of us can start to love ourselves through a simple four-st
